
MARCUS ENGEL

MS, CPXP, CSP

A/V REQUESTS

IN-PERSON EVENTS

- Rectangular banquet table (4, 6 or 8 ft.), center-stage, for Marcus to use as a guide on stage. Marcus will stand in front of table when speaking.
- If there is a podium on stage, it is preferred that podium be moved completely off stage (or to back-side of stage) before Marcus' keynote
- Hands-free microphone (lavalier mic preferred)
- Marcus doesn't work with any PowerPoints nor handouts

Book signings: Marcus likes to set up in the back of the room (or wherever logistically works) to have time to meet & greet with the audience. For this time, another banquet table and two chairs are all we will need.

VIRTUAL EVENTS

- Marcus is flexible on the host platform and is willing to meet attendees where they feel comfortable
- Marcus does not work with PowerPoints nor any type of slides during virtual talks
- No presentation to exceed 90 consecutive minutes in a virtual setting

Any other questions on A/V needs, feel free to contact us at any time!
